MANVI BROTHERS,

Electric Light & Power Suppliers. GADAG.
BRANCHES:-HAVERI, BYADGI & RANEBENNUR. Dist :- DHARWAR.

Date 10th November, 1952.

To,

The Secretary, to Government,
Public Works Department, B o m b a y .

Subject:- Meter Rent.

Sir,

We beg to bring to your kind notice that Consequent upon considerable increase in prices of meters since the last six years, between Rs.50 to Rs.60 per meter, we find it difficult to manage with the present rates of hire, namely Annas Four for a single phase meter and annas Eight for a Polyphase meter as sanctioned in Clause 9 (a)(5) of our Haveri Electric License 1940. Since almost all the consumers at Haveri are having the meters provided by us, the responsibility of keeping them correct, and maintaining them rests on us. We therefore propose to increase the rental charges to Annas Eight per month for Single phase meter and Rs. One for a Poly Phase meter on the line of the rates allowed and sanctioned by Government in the case of most of the other Licenses.

We feel that in accordance with the powers vested in the License under Section 57 of the Electricity Supply Act 1948, we are empowered to revise the rates from time to time so as to allow us a resonable return permissible under the Act and we understand that it is in view of the above provision that a clause regarding maxima charges including rental for meters is not now embodied in the Licenses granted by Government.

We, therefore, think to be entitled to increase the charges for meters rental on the analogy of the same princip-

continued. . .

Our contention may therefore be confirmed. If the above contention is not correct, in that case we may be allowed to apply for amendment of the clauses 9 (a)(5) of the clause so as to enable us increase the charges for meters rental at Annas Eight for a Single-phase meter and Rs.1/- for a Poly Phse meter.

The decision of the Government may kindly be communicated to us early, so that we will move further in the matter.

Yours faithfully,

For Manvi Brothers

J.A. Manvi

Partner.

K. Br.

M/S. Manvi Bro, Licensed, Rl. License Haveri, have pp 1-3 represented that they may be permitted to increase the present rates of 4 As. for single phase meters & 8 As. for polyphase meters as the prices of these meters have been increased to Rs 50 & Rs 60 resp. since the last 6 yrs. Remarks on this proposal may be called for from the Rl. Engr. to Govt. p 7

2. Necy. drafts is put up for approval.

No. LHR 7/ 13974 Of 1952.
P.W.D. Offices, Churchgate Street,
Fort, Bombay(1), 5th December 1952.

To

The Secretary to Government,
Public Works Department, Bombay.

Subject:- Meter Rent.

Reference: Endorsement below Government Letter No.LHR 1852 K, dated the 8th December 1952.

The contention of Messrs. Manvi Brothers made in paragraph 2 of their letter dated 10th November 1952, appears to be correct and there appears to be no objection to their revising the rates in pursuance of the sixth schedule to section 57 of the Electricity (Supply) Act 1948.

The proposed rates of meter rental are already in force in the case of other licensees.

The original letter received with the above Government Letter is returned.

Electrical Engineer to Government.

Due to considerable increase in prices of meters since the last six yrs, M/S. Manvi Bros., Licensee, Haveri, Byadgi & Ranebennur Electric Licensees, find it difficult to manage with the present rates of hire and they therefore pp.1-3 propose to increase the charges for meter rental for single-phase and polyphase meters from As.4 and As.8 resp. to As.8 and Re.1/- resp. The El. Engr. to Govt. p9 reports that there is no objection to their revising the rates in pursuance of the sixth schedule to sec. 57 of the Ely.(Supply) Act, 1948. He also reports that the proposed rates are in force in case of other licensees.

3. M/S. Manvi Bros. may be informed p 13 as per draft put up for approval.

Sir,

In continuation with G.L. No. LHR 1852 K, dt. 8-12-52, on the above subject, I am directed to inform you that in pursuance of the sixth schedule to Sec. 57 of the Electricity (Supply) Act, 1948, you can so adjust the charges for meter rental that your clear profit in any year does not exceed the amount of reasonable return.
